Frank Burger was present but has not yet been appointed by the County Commission.

Barry Hurt reported that in recent talks the ideal solution of one slip per lot would be the best but would not happen because of space and water quality issues.

In a discussion concerning the zoning delay, Bob Hill reported that he had checked to make sure Yacht Club type organizations were allowed under the new zoning ordinance. Bob hopes to have a copy of the new ordinance soon and will email it to board members for review.
